

Santa Rosa Kids House

Wish List

Due to the COVID-19 Pandemic concerns, we are updating the way we handle in-kind donations. We are still in need of items and you can support us in different ways. We accept monetary donations via our website or through the mail. We are in desperate need of the items listed below and they can be shipped directly to us. **If you have new donation items, please call ahead and we will make arrangements over the phone in a way that still protects everyone as we are practicing social distancing.** We appreciate your interest and value your continued support. Thank you!

You can also visit these websites for our online wish lists with Amazon and Target.....
